

MySurvey – License activation

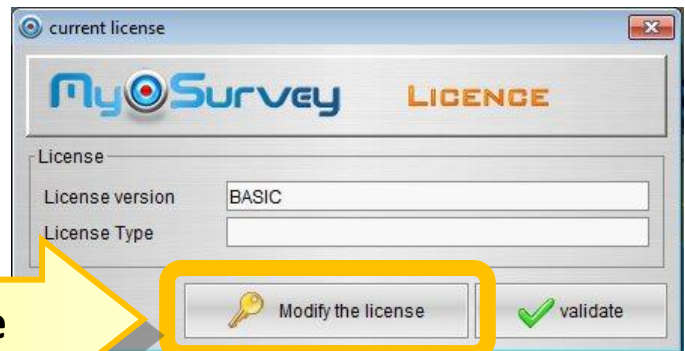

We thank you for the purchase of a mySurvey license!

You received a license key and have now to activate your software. Here are the few required steps:

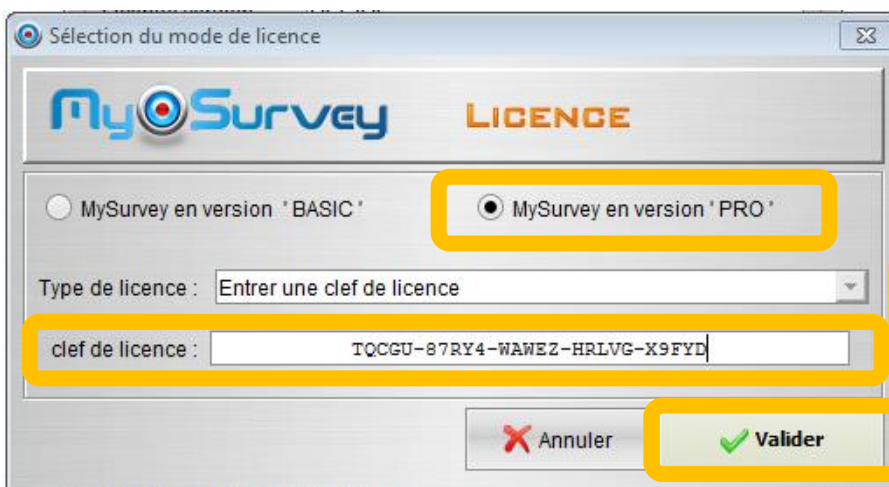

- a. Run mySurvey software on the computer on which you would like to activate the licensed version.
Under the help menu, select the « license » item

- b. In the license information dialog,
Select the button « modify license »

- c. In the new dialog box, select the option that enables to enter the license key, and paste the code you received by email :

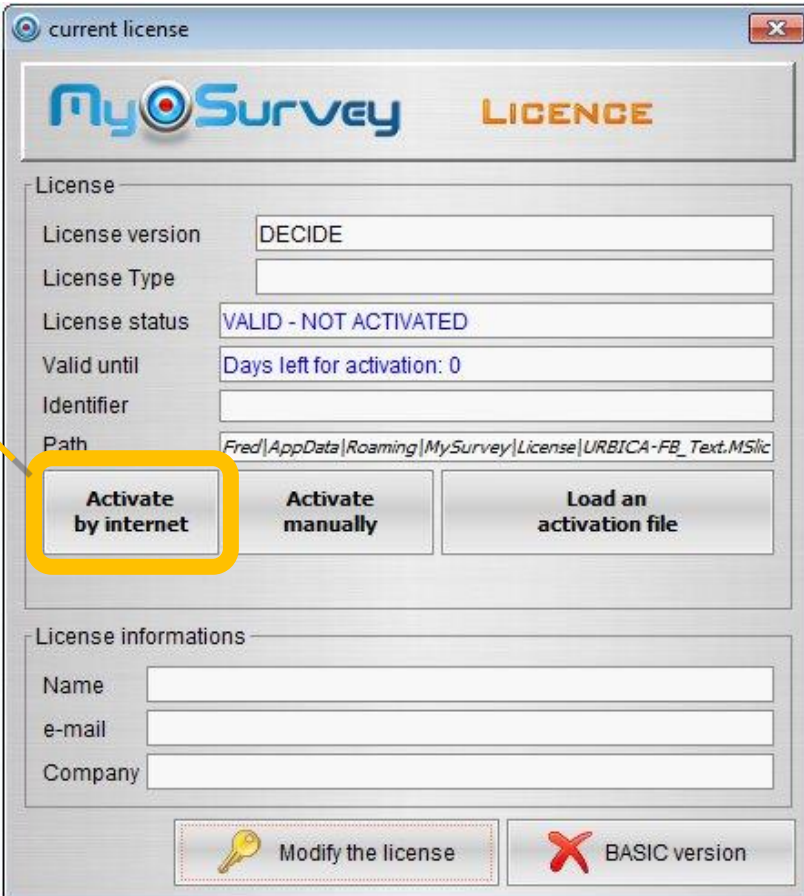

Paste the license key

Validate

- d. Back in the information license dialog, you will have to activate the license through internet.

Activate the license through internet
